It is imperative that all students in K-8 wear the proper gym attire to participate in class activities to the fullest extent. Today more than ever, children need physical activity and exercise. Please help your children remember to bring their gym shoes and uniforms on their designated physical education class days.

*In order to participate in physical education class the student must have:*

**Kindergarten-5<sup>th</sup> grade**

Gym shoes that tie or Velcro and fit properly.

Consequences for not having required gym shoes (per Trimester):

1. Student will not be allowed to participate in the class activity.
2. For a second/continuing infraction, a note will be sent home informing the parents.

**6<sup>th</sup> -8<sup>th</sup> grade**

School issued gym uniform ordered from Dennis Uniform. This includes navy shirt and navy shorts with St. James imprinted on it, and gym shoes.

Consequences for not having required gym shoes and uniforms (per trimester):

1. Student will not be able to participate in the class activity and a note will be sent home.
2. For the second unexcused uniform infraction, another note will be sent home which must be signed by the parent and returned the next day.
3. For the third unexcused uniform infraction, the student's grade will be lowered, AND a Tuesday after school detention will be served.

**Sick child**

If your child should not participate in physical education class due to health reasons, a parent note must be given to the P.E. teacher prior to the class period. If the health issue will last for an extended period, (more than two physical education class periods), a written note from a doctor is required. The student may then be excused from physical activity.
